OWLBROOK GRIM TALES · BOOK ONE

Locked in the Waxworks

SOLVER'S PACK · FOR THE KINDLE EDITION

These sheets hold no puzzles. The puzzles, clues and rules are in the book itself: read each puzzle on your Kindle and do your pencil work here. The mazes are solved on screen.

HOW TO USE THE PACK

MATCH THE NUMBERS

Every block carries the number of its puzzle in the book (2B is the second puzzle of Room II) and the page of the book it goes with. Where a new room begins, its number is ruled across the sheet.

KEEP YOUR ANSWERS

Write each answer in its block. Each room ends with its door code and its evidence: copy those onto the Case File sheet as well, because the Accusation needs every one.

COPY ACROSS

The grids here have only their row and column letters and numbers. Where a puzzle needs headings, names, walls or given letters, copy them from that page of your book.

CHECK AS YOU GO

To test an answer without seeing it, write it exactly as the book's answer box asks, add up its letters (A = 1 … Z = 26) and any digits, divide by 97 and keep the remainder. Compare that number with the Answer Checks on page 113 of your book.

LETTER VALUES
